Building Set On 4 Schools

Work on new classrooms for four schools in this area is expected to begin soon, under the terms of contracts approved by the Los Angeles City Board of Education last week.
 The classrooms are expected to be ready for use by September or early October. Four classrooms will be constructed at Carson St. school, 185 E. Carson St.; Normont school, 1011 W. 253rd St., Harbor City; and 232nd Pl. school, 23305 Moneta Ave., while two classrooms will be built at Del Amo school, 1355 E. 213th St.

The Oliver Construction Co. will build schools in this area under a contract which calls for completion of work in 75 calendar days.

ROAD BUILDING
 About 48,000 miles of highways were to be built in the U. S. during 1955.

Hillside Youngsters Present Talent Show

A talent show was presented by Hillside youngsters last Monday, at their recreation area. It was the first presentation this summer. Taking part were Kit Buritsch, who did a medley of numbers on his harmonica; Caroline Cox and Janice Tempelin, doing a pantomime act; Susan Larson and Carol Grasso, who portrayed "Tina the Ballerina" in a skit; Faith McAllister, who played the accordion; and Suzanne Carter, who sang "Bimbo."

Directors of this production were Elaine Herman and Nick Dellan, recreation leaders at Hillside.

Kids Grieve At Loss of Pet Collie

Lucky — a shadow-chasing dog, of mixed collie and shepherd breeding, is still lost, after running away when fireworks were shooting on July the Fourth.

Like so many of her kind, Lucky just can't stand fireworks. A characteristic not so common is the playful habit of running after shadows.

Heart-broken after losing their pet Larry, 9, and Cynthia, 7, of 9708 Fifth Ave., Inglewood, (telephone PL 4-5628).

Their mother, Mrs. W. E. Wright, is leaving no stone unturned to recover the animal, which is known to have strayed in Torrance on W. 187th St. It was brought here by a Torrance resident who works in Inglewood. He found the dog shortly after it was lost, and kept it at his house until it broke loose. Then, he learned who the owner was and telephoned. The shadow-chasing trick was convincing proof that it was Lucky he had found and lost.

WATER NEEDED
 About 750 gallons of water are needed to produce one ton of portland cement.

TRAFFIC VOLUME
 Traffic volume in Connecticut was 24 per cent higher in 1954 than it was in 1953.

Boy, 14, Admits Molestation of School Girl, 6

A 14-year-old boy, called "a nice guy" by friends has confessed to waylaying and molesting a 6-year-old girl Monday as she returned home from Fern Street school.

The youth will appear soon at the juvenile court in Long Beach.
 A postman delivering mail on Crenshaw Blvd. at 1 p.m. Monday heard the cries of the girl and went to her rescue. The mailman called to others, who joined in chasing the boy, but he eluded his pursuers.

Investigation was begun by Sgt. D. C. Cook, juvenile officer, who through persistent questioning traced the culprit.

A physician's examination verified the fact that the child had been criminally assaulted.

SPUD SPOILAGE
 Several million bushels of potatoes are lost each year as a result of sprout growth during storage.
